Science Education & Employment Development
S.E.E.D.

RULES FOR APPLICATION AND SELECTION OF AWARD WINNERS

1. Students must apply for the STAY in School Awards.
2. Students applying for these awards must be Six Nations band members.
3. All students applying for these awards must have been in full-time attendance during the 2015-2016 school year.
4. Students must submit a photocopy of their June 2016 report card.
5. All marks given in all math strands and science for reports 1, 2 and 3 must be averaged.
6. Average marks must be verified by the principal of the school in which the student attended for the 2015-2016 school year.
7. Applications are to be mailed directly to the address on the application form and will be accepted if postmarked by October 28, 2016. Fax copies will only be accepted if the original documents are also mailed directly to the address on the application form and are postmarked by October 28, 2016. Fax copies can be sent to fax number 519-339-4491, Attn: Jon Harding. Original document information will be used to determine eligibility for award should any discrepancy exist in faxed transcripts.
8. The SEED steering committee, made up of representatives from Imperial Oil and Six Nations, will determine the winners based on the criteria.
9. Winners will be notified as soon as possible and certificates will be mailed out.
10. Average must be higher than 70 percent.
11. Consideration will be given to those applications that follow the Ontario Curriculum provided by a school under the jurisdiction of the Ontario Ministry of Education.

Applications must be postmarked by October 28, 2016

Science Education and Employment Development of SEED designs and implements educational initiatives that are focussed on providing Six Nations people with the skills needed for a career with Imperial Oil, the petroleum industry and other manufacturing industries. SEED's steering committee is made up of representatives from Six Nations Polytechnic, Grand River Employment and Training, Grand River Post Secondary Education Office and Imperial Oil's Nanticoke refinery and corporate offices.
